Re: Pension Contribution Rate Changes Under Chapter 78, P.L. 2011

This letter is to inform you of upcoming changes in Public Employees' Retirement System (PERS) and Teachers' Pension and Annuity Fund (TPAF) contributions. Under the provisions of Chapter 78, P.L. 2011, the employee pension contribution rates will be increased in two phases. The first phase has been completed; we will be entering year four of the second phase with your first pay of the 2015-2016 school year.

During the 2015-2016 school year, your pension contribution will be 7.06% of your contractual salary.

Phase Descriptions:

Phase 1 - PERS and TPAF contributions will increase from 5.5% to **6.5%** of your contractual salary. This change will become effective on the October 15th payroll, which will be distributed on October 14th. **Completed June 28, 2012.**

Phase 2 – PERS and TPAF contributions will increase from 6.5% to **7.5%** of your contractual salary. This change will be phased in over a 7-year period beginning July 2012. This phase will result in a .14% increase in the pension contribution rate each school year until the 7.5% contribution rate is reached in July 2018. (2012-2013 – 6.64%; 2013-2014 – 6.78%; 2014-2015 – 6.92%, 2015-2016 – 7.06%, etc.)
